Forecast for Wednesday 09 Sep 2020

Weather: Any lingering light rain will clear through the early hours to leave dry conditions and some clear spells. A good deal of dry weather with sunny spells through the day, however there will be a scattering of blustery light showers, most frequent through the morning and early afternoon.

Chance of cloud free mountain/hill tops above 800m: Generally high, potential for temporary reductions in rain or showers through the morning.

Visibility: Moderate or poor at first but generally good after early rain clears.
